

FATHER PAT'S SERMON NOTES

The Feast Epiphany of The Lord

A Severe Case of “Christo-phobia”!

The first announcement of the birth of Christ was a lot like the announcement of a new pregnancy. Some responded with ecstatic jubilation and others with horrific shock. When Herod received reports that a Savior was to be born in Bethlehem, his reaction was not “Comfort and Joy” but “Terror and Dread”! Realizing that his worst fears were realized, Herod acted immediately to neutralize this threat: And no child in Bethlehem less than two years old would be safe!

It would be easy for us to focus only on the fact that Herod was a bit of a paranoid mad man (ok, more than just a bit), but it is just as important for us to realize how much we are just like him. Why was he so afraid of the child born in a manger? He was afraid because by all reports, that child would grow up to be a King! But Judea already had a King... Herod! He knew that two Kings could not reign at the same time. One would have to go and Herod decided that it was going to be the other guy!

To the degree that you insist that you must remain in charge of your life, your future, your plans, etc... to that degree you too, like Herod, will find yourself battling with the Christ Child for your right to the seat on the throne of your heart. So, how far are you willing to go to win the battle? Herod's case of what one bishop recently called, “Christo-phobia” (the fear of Christ) was so severe that it would be a battle to the death. Herod would lose. Christ would win. You should take note.

Just as millions of mothers and fathers who first reacted to the reality of pregnancy with fear and dread, now point to the child they brought to birth as the greatest thing that every happen to them, so will we experience the Joy of letting Christ reign as Lord in our lives. We too will discover that we have nothing to fear when we, like the Magi, bow before him and give him homage and then “rise up in splendor” to announce to the world that our Light has come!
